Karl Kingston brought out one of the donated Computers and the Flight Simulator for the training of the Air Cadets.

Several members tried out their thumbs on it and all of them eventually crashed!

Note: It was Marc Gagnon who arranged for the donation of the two computers.

Karl also brought a DVD produced by MAAC to demonstrate all the activities sponsored by MAAC.

The DVD was shown to the members.

This and That:

This was the first meeting held with the new Executive members and it

went very well. The new secretary is very enthusiastic about his job and any one who knows Roger already knows how thorough he is. The new Treasurer is just great, being very dedicated and ready to do an excellent job as our new Club Treasurer. The Club is very fortunate in getting these two excellent additions to our Executive Committee.

Christmas Dinner:

The Christmas club meal was held at Jack Lees Restaurant and was very well attended by at least 20 or so people members and their wives. There was a presentation made to Doug and Linda Geisel by Karl Kingston and his wife and a lot of kind words expressed to Doug for doing such a great job and for being involved on the Executive for a long time and for all that he has contributed to the Club. Linda was thanked for her patience while waiting for Doug to do his thing.

I guess all women deserve our gratitude for putting up with so much. It was nice to see Cliff Morris having a good time and he sure looks like he is in a better state of health than he has been this past year.

It was nice to see Jake and his
nice

lady friend come all the way from
Montreal and it appeared that they both
had a good time.

Chili Flys:

The turnout for the Club Chili Flys
apparently have been very well supported
with everyone having a good time and
certainly enjoying the great Chili as
supplied by Richard and then by Lester.

Apparently even the Chili Fly in Brockville
was a great success which was attended by
some of our Club members.

Please note that the next one will be on
January 23rd and will be catered by Roger
Belanger. Should be good right Roger?

Indoor Flying:

The first indoor flying of the season
at the Armories went off real great with 11
or 12 fly boys showing up to use the
facilities. No word yet as to when our Club
will be training the Air Cadets. Should be
soon, as all the equipment that has been
put together for the Training is now ready
for use by the Cadets.

Photos:

Try to take some photos whenever
there is an event going on and which you are
attending.

Please be so kind as to send them to me by
e-mail as everyone who was not there would
certainly like to be part of the activities.
Especially me!

Next Meeting:

The next meeting will be held at the
Royal Canadian Legion on Second Street at
7:30 on Monday January 11, 2010.

See you there. Cliff Merpaw
