Jtec Distribution Inc.  
Borderline Hobbies  
Ted's Hobby Shop

### Upcoming Meeting

Monday  
Sept 13, 2010  
@7:30 p.m.

The Royal Canadian  
Legion Basement

2<sup>nd</sup> & Cumberland St.

### Minutes of the Meeting:

The President, Karl opened the meeting at 7:30. There were 12 members present with no guests. This meeting was held in the Club house down at the field.

### 1-Treasurer's Report:

#### Last Bank Balance

\$

#### Income:

Total Income: \$

#### Expenses:

Total Expenses \$

Total Assets \$

Motioned by Jeb Ward to adopt the Treasurer's report as given.

Seconded by Cliff Merpaw.  
**CARRIED.**

### 2-Minutes of the last meeting:

The minutes were adopted without discussion.

### 3- Old Business:

Some discussion was held on the Zone Float Fly which was to be held on July 3, 2010.

There was work that had to be done prior to the float fly and who was responsible for doing what.

There was to be a raffle held at the Float Fly composed of an Aircraft (Escapade and an OS .46 engine) donated by Ted's Hobby Shop.

Please note that a report on the Float Fly and a Financial report is attached at the end of this newsletter.

Some discussion was held about the Annual Club Fun Fly

There were last minute changes made to the proceedings such as the “pot luck supper” was canceled and no supper was offered.

Some people mentioned that a “pot luck supper” had been advertised in the MAAC Magazine and it was hoped that the visitors would not be offended by this last minute change.

A special offer was made to all entrants of a hamburger, bag of chips and a soft drink, free with their entry fee, which seemed to go over well with the entrants.

A raffle of an Escapade and an OS.46 Engine was held courtesy again of Ted’s Hobby Shop. Ted’s Hobby Shop donated both of the aircraft which really made the raffles successful.

Keep in mind that Peter Grant, one of our members is responsible for the donations and support coming from Ted’s Hobby Shop and we should give as much business and support to them as we can afford.

The donations from MiniMax Transportation is in part due to the fine work of Ed. Renaud.

I am not sure who is responsible for the other donations from JTEC and the other sponsors but in any event they are truly appreciated by our membership.

A report on the Fun Fly and a Financial report will be included at the

end of this newsletter.

Since I was away for the whole month of July I guess I missed out on a lot of activities but I was told it was extremely hot with temperatures in the 30 degree range.

### Float Fly

Date Held: July 3, 2010  
 Entries:.....23 Pilots registered  
 Income from Entries .....\$230.00  
 Income from Raffle.....\$160.00

 Income from Food Sales.....\$35.50  
 Total Income.....\$661.50  
 Total Expenses.....\$430.08  
 Profit.....\$231.42

### New Business:

Since this is the beginning of the fall

season, the meetings will resume back at the Legion building at Second and Cumberland Streets in the basement as usual and all of our members are invited to come and bring a friend who is interested in Model Aircraft building and flying to attend the monthly meetings where we shall discuss model aircraft flying events such as;

1) Winter indoor flying (electrics) at the Armories.

2) The election of officers for the upcoming year.

3) The Annual General meeting of MAAC, coming up in October.

4) Next years Mall show in the Spring and other items of interest to modelers in general.

Good news to report that the winner of the Float Fly raffle was yours truly and the winner of the Fun Fly raffle was our Treasurer Richard Besner. I am sure you will agree that these items could not been won by nicer or more deserving guys than these two fine gentlemen.

Also at this time of the year we conduct our Club elections to select good members to conduct the business of the Club and we do them early so that our Snow birds can vote before they depart for Florida. Come on out and nominate

the people you feel can do the best job of carrying out the wishes of the membership for another year.

### Downed Aircraft:

I had a J-3 Cub get away from me several weeks ago and I flew over the area with a full size aircraft pilot by the name of Gerry Givogue. We spent a half hour aloft and made at least 10 passes over the area but to no avail. Everything when you look down from 500 feet is green and guess what color was the Cub (green) with black and white stripes. For your info if you ever want to go for a flight, Gerry will take you up for a half hour flight in a Cessna for \$15.00. A real good pilot and a great flight. If you want his phone number let me know if you want to go up. Fantastic half hour!

### Next Meeting:

The next meeting will be on Monday September 13, 2010 @ 7:30 pm at the Royal Canadian Legion on Second and Cumberland in the Legion basement. Come out and enjoy model aircraft stuff at it's best.
